MY BENEFITS

Journal

2018 Alaska Railroad Corporation
Blue / Gold Benefits for Employees
Represented by ARW, TCU and UTU

as of January 2018
Every year our Alaska Railroad Corporation employees make important contributions to Alaska’s transportation system and the lives of all Alaskans. It’s because of the work you do and the spirit in which you do it make the Alaska Railroad Corporation a great place to work.

As always, we strive to provide you with affordable, high quality benefits, including our two medical Plans that allow you to choose what is best for you and your family. Our dental coverage remains a separate Plan, so you have the option of waiving dental coverage.

We will continue to offer retirement plans, life insurance options, and many other valuable benefits as well.

While we provide you and your family with valuable benefits, it’s most important that you understand them and your options in making wise choices. To that end, this guide provides easy-to-understand information about ARRC’s benefits that will help you choose what’s best for you and your family.

Review My Benefits Journal, discuss your situation and needs with your family, and hold on to it so you can refer to it later if you need to.

Thanks again for your service to ARRC and for helping to keep Alaska moving.

In good health,

Bill O’Leary
ARRC President & CEO

all aboard!

Enrollment

Before you start your journey, make sure you have your ticket, luggage, camera, money, itinerary and everything else you need for your adventure.

When you travel, you have many decisions to make before and during your trip. The same level of planning and care goes into managing your benefits, too. This guide is your map through the benefits available to you; it will help you navigate all of the Plans features.

How to Enroll

If you’re enrolling in benefits with the Alaska Railroad Corporation for the first time, you will receive your enrollment materials at the New-Employee Orientation. You may then submit your Benefits enrollment information/election form and separate FSA or HSA forms to Human Resources in one of four ways (see the back page of My Benefits Journal — Blue / Gold for contact information):

1. Mail—interoffice or U.S. mail
2. Fax
3. Email
4. Hand deliver

Qualified Life Event

You can make certain benefit changes throughout the year when something significant happens in your life. Examples of qualified life events include:

- Marriage
- Divorce
- Birth or adoption of a child
- Death of legal spouse or dependent
- Employment change for legal spouse or dependent

If you experience a qualified life event and want to enroll or change your enrollment, you must submit new benefits, FSA or HSA enrollment forms and proof of the event to HR within 31 days from the date of the event. If you don’t, you must wait until the next Open Window period to change your benefits.

Even if you don’t make any enrollment changes, you must notify HR if you get married, divorced or widowed.
OPEN WINDOW FOR BENEFITS ENROLLMENT

Once a year during Open Window, which is typically in late November, you can review your benefits and coverage, and make changes for the coming year.

You may enroll or make changes:
- Within 31 days from your eligibility date;
- During the annual Open Window; or
- Within 31 days from a qualified life event (see page 2).

SAVE MONEY WITH THE PRETAX PREMIUM ONLY PLAN (POP)

If you’d like to have more take-home pay, there is a way: You may have your share of some insurance premiums deducted from your paycheck before income tax is calculated. That means taxes are calculated on a smaller chunk of your income so you pay less tax and have more pay to take home.

Plan premiums that qualify for POP:
- Health Plan
- Railroad Employees’ National Dental Plan
- ARRC Optional Dental Plan
- Basic Life and AD&D
All the Benefits Available to You

Before you begin your adventure, you not only pick a destination, you decide what you need to take with you, and what you want to see and do while you’re exploring.

Planning is important when you’re considering your benefits adventure, too. When you start your journey, your needs are different from what they are at the end—and they may change a few times along the way. That’s why it’s important to review your benefits every year, even if you don’t make any changes.
ARRC’s benefits include:

- **Health Plan** — Two options for medical, prescription drug and hearing coverage, plus vision coverage
- **Dental Plan** — ARRC Optional and Railroad Employees’ National Plan (required for represented employees)
- **Health Savings Account** — Gold Plan only
- **Flexible Spending Accounts** — Health Care FSA (Blue Plan only), Dependent Care FSA (Blue and Gold)
- **Life Insurance** — Basic Life and AD&D, Optional, Standard and Dependent Life
- **Employee Assistance Program**
- **Retirement Plans** — ARRC Pension and 401(k) Savings Plan
- **Retiree Medical Plan** — Not available to ARW-represented employees hired after Nov. 4, 2015; TCU-represented employees hired after March 31, 2015; and UTU-represented employees hired after March 4, 2016.
- **Paid time off** — Annual leave, sick leave, holidays
- **Free travel on Alaska Railroad**

*Summary Plan Descriptions* (SPDs), which provide more information and detail, are available on ARRC’s inside track for:

- Health Plan (also see your Summary of Benefits and Coverage)
- Dental Plan
- Life Insurance Plan
- Pension Plan
- 401(k) Savings Plan
- Flexible Spending Accounts

You can access SPDs on the ARRC employee website, [insidetrack.akrr.com > Benefits > Health Insurance > Medical Health Insurance](#). The Pension Plan is also available at [myatessa.com](#); the Tax Deferred Savings Plan is also available at [vanguard.com](#), and the Health Plan at [Premera.com](#).

---

**Have you checked your beneficiaries lately?**

Deciding who should receive your Life Insurance and Pension or Savings Plan benefits ensures your benefits go to the person — or people — you intend. We encourage you to check your beneficiaries once a year. When life changes course, it’s easy to forget this small but important detail. You may change your beneficiary any time during the year.

You can update your ARRC Pension Plan beneficiaries by downloading, printing and filling out the Beneficiary Designation for Pre-Retirement Death Benefits form at [myatessa.com](#). Or, you can get the form from HR; Mail the completed form to Atessa Benefits (see address on page 35).

For your 401(k) plan, update your beneficiaries at [vanguard.com](#).

To change your life insurance or unpaid compensation beneficiaries, download, fill out and submit the Beneficiary Designation forms from InsideTrack > Benefits > Insurance, or contact HR.
Health Plan

A comprehensive rail system comprises main lines, spurs and branch lines, whistle stops, large rail yards, everything trains need to run at peak performance so they can move people and freight.

ARRC’s Health Plan is comprehensive. Coverage includes:

- Medical and prescription drug — Blue and Gold Plans
- Vision
- Hearing

Our health Plans are “self-funded.” This means ARRC is financially responsible for paying medical claims. We contract with Premera Blue Cross Blue Shield of Alaska to administer the Plan. This arrangement provides ARRC flexibility in the kinds of benefits we can offer you without the limitations of state mandates or insured products. It also means that we all play an important role in controlling overall costs.

In addition, ARRC pays the largest part of your premiums every pay period — 80 percent or more for both the Blue and Gold Plans.

We encourage you to engage in your health and wellness. An easy way to do that is to take advantage of preventive health care, which both Plans cover at 100 percent when you visit a preferred provider. If you use a network provider, you won’t pay any out-of-pocket fees for services such as annual checkups or screening mammograms.
WHO’S ELIGIBLE?

Eligibility Timeline
Represented employees are eligible after 90 days of cumulative service. Once eligible, employees must enroll within 31 days of becoming eligible.

Dependents
Eligible dependents are your:
• Legal spouse (must provide marriage certificate)
• Adult children up to age 26 (must provide birth or adoption certificate)
• Dependent children (must provide birth certificate or adoption certificate):
  - Biological children
  - Stepchildren
  - Adopted children and children placed with you for adoption
  - A child for whom you have court-appointed guardianship or custody

KEY TERMS
Knowing the vocabulary and your medical care options before you need help are important steps to becoming a wise health care consumer.

We’ll define some common terms, and then take you on a tour of your health Plan benefits.

Deductible — A fixed amount of money you must spend for health care before ARRC’s medical Plan starts paying. You must meet a new deductible each year. Once you meet it, you’re only responsible for paying copays and coinsurance.

Coinsurance — The portion of a health care provider’s fee that you must pay after you meet the deductible. You pay coinsurance plus any deductibles until you meet your out-of-pocket maximum. For example, if the Plan’s allowed amount for an office visit is $100, your coinsurance payment of 20 percent is $20 if you’ve met your deductible. Your health care Plan pays the rest.

Out-of-pocket maximum — The yearly out-of-pocket maximum is the most your ARRC medical Plan requires you to pay toward the cost of your health care.

Out-of-pocket expenses include the annual deductible plus coinsurance you pay for doctor visits and other services. Once you reach this maximum, the Plan pays 100 percent of covered services for the rest of the calendar year. Any balance-billed amounts over the allowable charge from non-network providers do not count toward this maximum.

Copay — Blue Plan only: A fixed amount that you pay only on some generic prescription drugs when you. The copay doesn’t apply to your deductible but it does count toward your out-of-pocket maximum.

For calendar year 2018, most U.S. residents must have health insurance or pay the government a tax penalty. This is called the individual mandate. The health care coverage ARRC offers complies with the Affordable Care Act. If you’re enrolled in our plan all year, you meet the individual mandate so the government won’t impose a tax penalty on you.
on the main line

Medical Plan

Just as the main line is a railway system’s primary channel between stations, the medical Plans are your main lines to staying healthy. They provide solid, affordable benefits that keep you and your family on track.

For 2018, ARRC offers two Plans from which you may choose:

1. **Gold Plan** — High-Deductible Health Plan (HDHP) with Health Savings Account
2. **Blue Plan** — A Preferred Provider Plan (PPO)

**WAIVING COVERAGE**

You may waive ARRC’s medical or optional dental coverage by checking the appropriate box on the enrollment form and completing the waiver form. If you waived medical coverage for a prior year, your waiver will continue unless you submit an enrollment form electing coverage.

The table on page 9 shows which features are the same for both plans, and which ones are different. We’ll explore the common features first, then review the details of each plan.

**Selecting a provider**

You may use any provider (doctor or hospital) you want, but you’ll pay less coinsurance when you use Preferred providers:

- **Preferred providers** – 20 percent (ARRC pays 80 percent)
- **Participating providers** – 40 percent (ARRC pays 60 percent)
- **Non-contracted providers** – 50 percent of 200% of Medicare

FEATURES OF BOTH PLANS

Preventive care screenings
Both Plans pay 100 percent of preventive care when you visit a preferred or participating provider, even if you haven’t met your deductible. Here is a short list of covered services:
• Diagnostic tests, such as for blood pressure, diabetes and cholesterol
• Age-appropriate check-ups
• Women’s health services and healthy pregnancy care
• Immunizations and flu shots
• Cancer screenings, such as mammograms, colonoscopies, prostate exams and Pap tests
• Intervention for smoking, depression, alcohol use and mental health issues

Provider tiers
With each Plan, you may use any provider you choose — hospitals, doctors, other service providers — but you’ll pay less when you use a Preferred or Participating provider.

Both Plans have these three provider tiers:
1. Preferred provider — Provides a discounted fee; your lowest out-of-pocket expense.
2. Participating provider — Accepts Premera’s allowable charges, but doesn’t have a discounted fee schedule.
3. Non-contracted provider — Doesn’t have a contract or agreement with Premera.

For more information, contact Premera customer service at 800-508-4722.

<td>Yes</td>
<td>Yes</td>
<td>Yes</td>
</tr>
</tbody>
</table>

If you cannot find a preferred or participating provider within 50 miles from your home, contact Premera before your appointment.

Tobacco-use fee
If you use tobacco, you’ll pay a $25 per pay period surcharge — $650 a year — deducted on an after-tax basis. You don’t have to pay this fee if you:
• have not used tobacco or e-cigarettes during the 90 days before you enroll, and
• don’t intend to use them in the future

If you start using tobacco, you must notify HR so the surcharge can be deducted from your paycheck. If you provide documentation from your physician indicating that stopping the use of tobacco products would be detrimental to your health, the surcharge will not imposed. However, you may be asked to complete other wellness tasks that would not interfere with your health. If it is discovered that you were not truthful about your tobacco use, you could be subject to disciplinary action and you will be charged the tobacco use surcharge.
**Voluntary medical travel**

If you need surgery, we encourage you to explore Premera’s Voluntary Medical Travel program (i.e., “Elective Procedure Travel”). Hundreds of inpatient and outpatient procedures are eligible for this program. ARRC will waive the Blue Plan’s deductible. In addition, ARRC will waive the coinsurance under both the Gold and Blue Plans, if you take advantage of the program.

Premera’s travel partners can make air and ground travel as well as lodging reservations for you and a companion. The program covers your travel expenses such as round trip airfare, surface transportation, and lodging up to applicable IRS limits.

Before you travel: a) find out if your procedure needs a prior authorization; b) confirm your procedure is a covered medical expense and meets the guidelines as medically necessary; and c) get pre-approval to use the Voluntary Medical Travel program.

For a list of approved procedures and providers, call Premera at 800-508-4722.

**Prior authorization requirement**

For certain procedures, such as inpatient hospitalization and elective surgery, you must get prior authorization from Premera before the procedure is done. If you don’t, you’ll pay a penalty of 50 percent of allowable charges, up to a maximum of $1,500 after you meet the deductible.

Usually, your provider will get prior authorization on your behalf, but you’re responsible for making sure they do. Verify that your provider completes this process, or, you can get prior authorization for the procedure by contacting Premera online or by phone.

**Virtual care options**

For some situations, getting care over the phone or online may be the right cost-effective choice for care. See the section on Choosing Your Route for more information on cost-effective resources, such as Teladoc and the Nurse Line.

**Other features**

**Preventive drugs** — Each Plan covers preventive prescription drugs differently.

**Hearing** — Hearing tests and hearing aids are covered under both Plans but the amount of coverage is different for each Plan.

**Dental** — Dental coverage is not included in either Plan, but you may enroll in ARRC’s Optional Dental Plan (see page 26).
Gold Plan

The Gold Plan is a High-Deductible Health Plan, meaning it has a higher deductible than the Blue Plan. But you may be eligible to participate in a Health Savings Account (HSA) to help you pay the higher deductible. It can be a good Plan option for people who don’t use a lot of health care.

You pay 15 percent of the biweekly premium; ARRC pays 85 percent.

<table>
<thead>
<tr>

</tr>
<tr>
<td>You + 2 or more</td>
<td>$3,900</td>
<td>$5,300</td>
<td>$12,900</td>
</tr>
</tbody>
</table>

**Family Out-of-Pocket Maximum**

If you enroll in family coverage, once one covered family member meets the $5,300 individual OOP maximum, the Plan pays 100 percent of their qualified medical costs for the rest of the Plan (calendar) year. When your family meets the $12,900 OOP maximum, the Plan pays 100 percent of qualified medical costs for care for all family members for the rest of the Plan (calendar) year.

Amounts you pay to non-network providers that exceed allowable charges are balance-billed amounts and do count toward meeting either the individual or family OOP maximums.

To reach your deductible, you pay the full fee for doctor visits and most prescriptions. To help you pay these costs, you may open a Health Savings Account (HSA).

**Health Savings Account**

Because the Gold Plan has a higher deductible and no copays, you may enroll in a tax-free HSA to help pay those costs. You can put additional money into your HSA every pay period — an amount you choose up to the annual limit — so it’s there when you need it. ARRC will contribute to your account, too.

You can use the money in your HSA tax-free only for eligible medical expenses, but the money rolls over every year and can earn interest. And, the account is yours even if you retire or leave ARRC for any reason.

Premera’s partner, ConnectYourCare (CYC) administers the HSA. The bank UMB maintains HSA accounts.

**Triple tax advantage**

The money you put into the account from your paycheck is deducted before taxes are calculated on your income. Your HSA contributions are tax-free — and as long as you use the money in your account to pay for qualified health care expenses, it’s tax-free, too.
Like a regular savings account, the HSA earns interest and is protected by the Federal Deposit Insurance Corporation (FDIC). You may invest your unused HSA dollars when your balance reaches $1,000 so you can earn even more. The interest and investment dollars you earn are tax-free.

What are qualified health care expenses?
You may use your HSA to pay health care costs that count toward your deductible and to pay your coinsurance. You also may use the money for prescription drugs and eligible dental and vision costs, like eyeglasses or contacts. For a complete list of qualified expenses, visit www.irs.gov, Publication 502.

HSA contribution limits
The IRS sets the limits on how much can be contributed to an HSA each year. In 2018, the limits are:

- You only: $3,450
- You plus one or more (family): $6,850
- You may contribute an additional $1,000 in the year in which you turn age 55, or if you are over 55.

<table>
<thead>

<td>$500</td>
<td>Up to $2,950</td>
</tr>
<tr>
<td>You + 1 (family)</td>
<td>$1,000</td>
<td>Up to $5,850</td>
</tr>
<tr>
<td>You + 2 or more (family)</td>
<td>$1,500</td>
<td>Up to $5,350</td>
</tr>
</tbody>
</table>

For most participants, ARRC will contribute 50 percent in January and 50 percent in July. ARRC contributions are prorated for new and seasonal employees, and for employees returning from layoff, based on the number of pay periods each employee is enrolled in the HDHP (see the HSA Payment Schedule table on page 51). Additional IRS rules apply for employees who do not remain in the HDHP for the remainder of 2018, or whose total 2018 contributions exceed applicable prorated IRS maximums if they are enrolled in the HDHP for less than the entire calendar year. As indicated below, you are responsible for understanding HSA-related tax rules and should consider seeking advice from a tax advisor.

Important HSA details
Here are some key things to know about HSAs:

- You can only enroll in an HSA if you are enrolled in the Gold Plan.
- You cannot enroll in an HSA if you’re:
  - covered under another health plan that doesn’t qualify for an HSA — traditional PPO plan, Medicare, Medicaid, TRICARE, Indian Health Services
  - claimed as a dependent on another person’s tax return
- Special rules apply if you use VA health services — contact Premera if you have questions.
- You must be able to open a bank account in the United States.
- If you don’t open an HSA by the end of 2018, your contributions return to you as taxable income.
• You can pay your eligible medical expenses:
  - With the debit card you receive when you open your HSA
  - By online bill pay
  - With online reimbursement
• You can only spend the amount of money in your account.
• You must save your medical receipts for your tax records.
• You’re responsible for understanding HSA-related tax rules — visit www.irs.gov, Publication 969, or seek advice from a tax advisor
• You cannot be enrolled in a Health Care FSA and an HSA
  - If you are enrolled in a Health Care FSA and are changing to the Gold Plan, you must end your FSA enrollment.
  - You cannot transfer FSA funds to an HSA.
• You can only use HSA funds to pay for qualified health care expenses of you and your tax dependents.
  - If you enroll a family member in your Gold Plan, but they don’t qualify as your tax dependent, you cannot use your HSA funds to pay their medical expenses.
    ◊ For example, your adult child under age 26 may be enrolled on the Gold Plan, but may not be your tax dependent.
    ◊ In that case, they may open their own HSA and contribute up to the annual family maximum (contributions are after-tax and are tax deductible).
    ◊ If you don’t enroll a family member in your Gold Plan, but they do qualify as your tax dependent, you may use HSA funds to pay their medical expenses.
    ◊ For example, your spouse may be covered under their employer’s health plan, but if he or she is your tax dependent, you can use your HSA to pay for his or her qualified expenses

**PHARMACY PLAN**

The Gold Plan provides prescription drug benefits that include 100% coverage for the cost of preventive maintenance drugs. For other prescription drugs, you pay the full cost until your deductible is met, and then 20% of the cost thereafter. For details, see the separate Prescription Drug Plan section, on page 17.

**HEARING AND VISION**

Vision and hearing coverage is part of the Gold Plan. The plan pays for most of the customary cost of an exam, and provides an allowance for prescription glasses or contact lenses, and for hearing aids. There’s no deductible. Benefit details include:

<table>
<thead>
<tr>
<th></th>

<td>$1,500 Maximum</td>
<td>Every 3 calendar years</td>
</tr>
</tbody>
</table>

¹ Usual, customary and reasonable charges.
² Includes hearing aids and hearing aid maintenance.
Blue Plan

If you enroll in the Blue Plan, you’ll pay a higher biweekly premium than for the Gold Plan, but your deductible and coinsurance will be lower. You will pay 20 percent of the biweekly premium; ARRC pays the other 80 percent.

PREMIUM ADJUSTMENT AND 2018 MEDICAL/DRUG PLAN PREMIUMS

To help you meet the higher premium, ARRC provides a premium adjustment — which lowers your portion and increases ARRC’s portion of the premium cost. The premium adjustment gradually decreases each year.

**ARW-represented employees** — The premium adjustment ended in 2017.

**TCU-represented employees** — The premium adjustment ended early March 2018.

**UTU-represented employees** — The premium adjustment runs through the December 5, 2020.

</tbody>
</table>

¹ Does not include separate deductibles for being admitted to a hospital and for visiting an emergency room (see next page).
² Copays for generic prescription drugs count toward your out-of-pocket maximum.
PHARMACY PLAN

The Blue Plan provides prescription drug benefits with four tiers, or levels, of coverage. For details about prescription drug coverage, see the separate section on the Pharmacy Plan, beginning on page 17.

HEARING AND VISION

Vision and hearing coverage is part of the Blue Plan. The plan pays for most of the customary cost of an exam, and provides an allowance for prescription glasses or contact lenses, and for hearing aids. There's no deductible. Benefit details include:

2 Includes hearing aids and hearing aid maintenance.

ER AND HOSPITAL ADMISSION COPAYS³

Did you know that visiting the emergency room can cost up to 12 times more than going to your doctor or an urgent care clinic? To encourage the use of more cost-effective medical care in non-emergencies, the Blue Plan has an additional $100 emergency room copay. You’ll also pay a separate $250 copay each time you’re admitted to a hospital. However, if you’re admitted to the hospital from the ER, your ER copay will be waived.

When you’re not sure if you should use Teladoc, visit your doctor, urgent care or emergency room, call the 24-hour NurseLine for advice on what kind of care you need for your illness or injury. See page 23 for more information.

³ Federal law does not allow additional deductibles for the Gold Plan.
choosing your ride

Prescription Drug Plan

One of the best things about traveling by train is choosing which car to ride in. Do you sit in the dome car to get the best views or have a snack in the club car?

While the Blue and Gold Plans cover prescription drugs a little differently, there are common features:

**Step Therapy** — Some conditions, like arthritis, high blood pressure and allergies, require long-term medications. Step therapy is a way to start with medications at the lowest cost and lowest risk “step,” gradually “stepping up” to more expensive — and sometimes more risky — drugs, if necessary. If you’re starting a long-term medication that requires step therapy, we encourage you to learn as much as you can about your condition and medications so that you’re an active participant in managing your care.

**“Dispense as Written”**— If your doctor writes a prescription with this on it, your pharmacist cannot substitute a generic drug, even if one is available. You’ll pay the coinsurance and the difference in cost between the generic drug and brand name drug.

**Specialty Drugs** — These are medications that typically cost more and treat complex conditions that require special handling and monitoring. If your doctor prescribes a specialty drug, you must fill that prescription through an the specialty pharmacy — Accredo — but you may fill it at a retail pharmacy up to two times. Also, you may only fill up to a 30-day supply at non-specialty retail pharmacies twice. If your prescription falls into the specialty category, you will receive a letter from Premera instructing you to use specialty pharmacies.

**Mail Order** — You may buy many prescriptions through the mail order program, which is usually less than retail cost.

**GOLD PLAN PRESCRIPTION DRUG COVERAGE**

The Gold Plan covers 100% of certain preventive maintenance drug costs. Preventive drug examples include prescriptions for managing blood pressure and cholesterol, and for tobacco cessation. Visit Premera.com for a complete list of preventive medications the Plan covers at 100%.

For all other prescriptions, you pay the full cost until your medical plan deductible is met, then you pay 20% of the cost until you reach the out-of-pocket maximum.
**BLUE PLAN PRESCRIPTION DRUG COVERAGE**

Under the Blue Plan, you pay a copay for generic drugs and coinsurance for brand name and specialty drugs. Your copay or coinsurance amounts are based on the prescription drug’s category or “tier” as described in the table below:

<table>
<thead>
<tr>
<th>TIER 1</th>
<th>TIER 2</th>
<th>TIER 3</th>
<th>TIER 4</th>
</tr>
</thead>
<tbody>
<tr>
<td>GENERIC</td>
<td>PREFERRED BRAND</td>
<td>NON-PREFERRED BRAND</td>
<td>SPECIALTY</td>
</tr>
<tr>
<td>The formulary’s lowest cost drugs have the same active ingredients — with the same quality, strength, effectiveness, and purity — as their brand name versions.</td>
<td>These are certain brand name drugs that are included in Premera’s formulary (i.e., its list of preferred drugs).</td>
<td>These drugs are not on Premera’s formulary list.</td>
<td>These are certain drugs used to treat complex health conditions.</td>
</tr>
</tbody>
</table>

Under the Blue Plan, here’s what you can expect to pay for a prescription (30-day to 90-day supply):

<table>
<thead>
<tr>
<th>FORMULARY TIER</th>
<th>RETAIL</th>
<th>MAIL ORDER</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tier 1 – Generic Drugs</td>
<td>30-day supply: $15 copay 90-day supply: $45 copay</td>
<td>30-day; n/a 90-day supply: $30 copay</td>
</tr>
<tr>
<td>Tier 2 – Preferred Brand Drugs</td>
<td>30-day supply; You pay 20% of the drug’s cost, not to exceed $75 per prescription</td>
<td>90-day supply: You pay 20% of the drug’s cost, not to exceed $75 per prescription</td>
</tr>
<tr>
<td>Tier 3 – Non-Preferred Drugs</td>
<td>30-day supply; You pay 50% of the drug’s cost, not to exceed $75 per prescription</td>
<td>90-day supply: You pay 50% of the drug’s cost, not to exceed $75 per prescription</td>
</tr>
<tr>
<td>Tier 4 – Specialty Drugs</td>
<td>30-day supply; You pay 50% of the drug’s cost, not to exceed $100 per prescription</td>
<td>30-day supply; You pay 50% of the drug’s cost, not to exceed $100 per prescription</td>
</tr>
</tbody>
</table>

Prescription drugs for tobacco cessation and contraceptives are covered at 100 percent.

PEOPLE LIKE ME

When you consider your next adventure, you probably compare the cost of transportation, lodging and food. You may need to make trade-offs based on your needs. When choosing a health Plan, it helps to consider the health care needs of you and your family. The following examples show the approximate out-of-pocket expenses under each Plan for various situations—including one that may be similar to you.

Estimated costs shown are for these illustrations and should not be considered exact pricing.

<table>

**IMPORTANT TAX FORMS**

In January, ARRC will send you Form 1095-C related to your health care coverage. The IRS doesn’t require you to submit documentation of health coverage with your tax return; however, you must keep all forms in case you’re audited.

If you’re enrolled in the Gold Plan and have a Health Savings Account (HSA), ConnectYourCare (CYC), the HSA administrator, will send you one or two additional forms. You must file HSA-related Form 8889 with your tax return.

TELADOC VIRTUAL MEDICAL CARE

Medical issues don’t always happen when it’s easy to get to a doctor. With Teladoc virtual medical care, you get immediate, convenient access to care — consultations, diagnoses and prescriptions — whenever and wherever you need it.

Teladoc is not meant to replace your primary care provider (PCP) or in-person, face-to-face visits. But, when you can’t get to your doctor because you are traveling, the weather is bad, or your doctor is booked, Teladoc is a convenient alternative to an urgent care clinic and a lower-cost alternative to an Emergency Room visit when your medical need is not an emergency.

Teladoc doctors have an average of 15 years of experience and can diagnose, recommend treatment and prescribe medication when appropriate for many non-urgent medical care issues. Common conditions that Teladoc physicians can address include sinus problems, respiratory infections, allergies, urinary tract infections, cold and flu symptoms and other non-emergency illnesses.

For the Blue and Gold Plans, the cost is $40 per visit ($75 for dermatology consultations) until you meet the plan deductible; then, you pay 20% coinsurance until you meet the annual out-of-pocket in-network maximum.

Here’s how it works:

1. **Register** — Log on to teladoc.com/premeraAK or call 855-332-4059 to create an account. Fill out a health history, like you would at a doctor’s office, and register your covered family members.

2. **Consult a physician** — You can talk to a Teladoc physician any time by logging into your online account, or by calling. Provide your contact information and current location. A doctor will call you back right away or at a time you request.

3. **Benefits and payment** — Teladoc will know what coinsurance and deductible apply. You can pay by credit or debit card, HSA or FSA card, or through PayPal.

4. **Continuity of care with PCP** — After your appointment, Teladoc will send a record of the consult to your PCP to keep your regular doctor in the loop on your health and medical care.
NurseLine

Real emergencies do happen. When they do, call 911. However, if it’s not an emergency, going to a hospital emergency room usually isn’t your best option. A visit with Teladoc, or with your primary care provider or an urgent care clinic costs much less.

If you’re not sure what to do or where to go for help, and you need some advice, call NurseLine, Premera’s 24/7 service for help.

OTHER THINGS TO CONSIDER

Choosing care wisely

When you need to see a health care provider, you have these options:

- Primary care physician
- Urgent care clinic
- Teladoc virtual care
- Hospital emergency room

Use this list to help you decide the best care options for your situation.

PREMERA ONLINE

Premera Mobile App — With Premera Mobile, you can find a doctor, have a one-touch connection to the NurseLine and customer service, and email proof of coverage to your provider. The app is available for iPhones, Windows phones and Androids.

Premera Website — Register on Premera’s website — Premera.com — as soon as you have your member ID card. Some things you can do online:

• Check your benefits and eligibility
• Check your claims activity
• Find a doctor and pharmacy
• Order and refill prescriptions
• Read about treatment options
• Review your personal health record
• Take quizzes to test your health and wellness IQ
• Look through a medical library that includes videos, photos and information about common health issues
• Go paperless: Get your explanations of benefits and other documents electronically. This also helps reduce ARRC Plan administrative expenses.

ALL ABOARD PREMERA.COM

Getting started on Premera.com starts with creating an account so that you can access all the great tools the website offers.

1. Go to www.Premera.com
2. Create a new account by following the prompts under Member Services

After you create your account, you can access claims and prescription drug information, and find network providers.

You also can access Premera’s robust Wellness Program. There are links to member discounts on products and services, and wellness tools and support.

Premera.com has many other user-friendly features that make staying up on your health and wellness easier than ever.

Premera Pulse

Try the new Premera Pulse tool for your mobile phone. When you sign up, you will:

• Receive notifications that help you take advantage of your health plan benefits
• Have access to a list of your medications
• Be able to quickly find doctors located near you.

Your account is already set up. All you need to do is activate it. It’s that easy!

Go to Premera.bookmd.com/start or text “Begin” to 24248.
CARE COMPASS 360°

To help you be “the little engine that could,” Premera’s CareCompass360° provides holistic support if you have complex or chronic medical conditions. Your participation in the program is voluntary. There is no cost to you.

If you have a health condition that requires coordinated care from more than one provider, CareCompass360° will set you on the right track with its “whole person” approach to health support, including:

- Disease management
- Substance abuse management
- Case management services
- Care transition management services

Whole Care

In addition to the services listed above, CareCompass360°’s program provides pain management, oncology resources and behavioral support to serve you and your family, no matter what kind of care you need.

The goal is to help you improve the quality of your life while reducing the amount you spend on health care.

What you can expect from CareCompass360°:

- Single point of contact for all of your care
- Easy-to-use and accessible resources, including telephonic coaching
- Help you need when you need it
- More active support to make improving your health easier
- Outreach and care that’s personalized just for you

To find out if CareCompass360° is right for you, call Premera Customer Service at 800-508-4722.
Dental Plans

Main lines are essential to move people and goods from place to place. Branch lines play an important role because they connect to major routes. Keeping them in working order is important.

It’s like that with your dental, vision and hearing, too. Maintaining those systems supports your overall health, which helps everything run smoothly.

Maintaining your oral health supports your overall health, which helps everything run smoothly.

ARRC Optional Dental Plan

You may enroll yourself and eligible family members in the ARRC Optional Dental Plan. The dental Plan is separate from the medical Plans, so you can enroll in the dental Plan even if you waive medical coverage. The annual maximum benefit paid is $2,000.

Railroad Employees’ National Dental Plan

If you’re a represented employee, your union requires you to enroll in the Railroad Employees’ National Dental Plan, offered to railroads throughout the U.S. and administered by Aetna.

Premium deductions begin on your date of hire; benefits begin after 12 months of cumulative service.

If you enroll in the Optional Dental Plan, you’ll be covered by two Plans. Once National Dental coverage starts, it’s the primary dental Plan for represented employees.

1 Optional Dental Plan: Includes sealants in permanent teeth of dependents up to age 19.
2 Usual, customary and reasonable charges.

Dental Eligibility Timelines

Represented Employees

- **Day 1**: Enrolled in the National Dental Plan. Premiums deducted from day one.
- **Day 90**: Eligible to participate in the ARRC medical and/or dental Plans.
- **Day 91**: Premiums for National Dental Plan convert to pretax deductions if you choose pretax coverage in the POP Plan.
- **12 months**: National Dental benefits start. If you enroll in ARRC dental Plan, you will have dental coverage under both Plans. National Dental is primary.
Flexible Spending Accounts

To make sure rail lines can support tons of moving steel, the foundation and support — subgrade, ballast and ties — must be sturdy and reliable.

Flexible Spending Accounts (FSAs) keep your financial foundation strong by allowing you to set aside pretax money every paycheck to pay for expected out-of-pocket medical and dependent care costs. Then, when you incur unreimbursed medical costs or dependent care expenses, you can use the money tax-free.

There are two types of FSAs:

- Health Care FSA — If you have an HSA, you cannot enroll in a Health Care FSA
- Dependent Care FSA (DCAP)

Just as laying rail lines properly is an important investment in the safety of train travel, carefully calculating how much to put into your FSAs is an important investment in your financial security. FSAs are “use it or lose it.” Any money remaining in your account at the end of the year goes away. However, you may use the previous year’s FSA funds for eligible expenses you incur through March 15, 2019. You must file claims for reimbursement by April 30, 2019.

Because FSA money doesn’t roll over, you must re-enroll every year you want to participate. Consider your needs carefully before choosing how much to contribute so you don’t lose any unused funds.

## WHO’S ELIGIBLE?

**Eligibility dates**

To become eligible, you must:

- Be employed in a year-round job
- Have 12 months of continuous employment before the new Plan Year, with no unpaid leaves or layoffs
- Anticipate continuous employment for the next 12 months

Once eligible, enroll:

- Within 31 days from a qualified life event, or
- During Open Window

**Health Care FSA annual contribution limit**

- $1,500 ARW-represented
- $2,650 TCU-represented
- $1,500 UTU-represented

**Dependent Care FSA annual contribution limit**

$5,000

## HEALTH CARE FSA - BLUE PLAN ONLY

You can use your Health Care FSA to pay out-of-pocket medical, dental, vision and hearing expenses. Some examples include:

- Your health Plan deductibles and coinsurance
- Laser eye surgery
- Hearing aids
- Adult orthodontia

You cannot use your Health Care FSA to pay for over-the-counter medication.

## DEPENDENT CARE FSA - BLUE AND GOLD PLANS

You can use the money you put into this account to pay eligible dependent care costs so you and your spouse can work, look for work or attend school full time. The maximum Dependent Care FSA contribution is $5,000 per year (married filing jointly).

Generally, an eligible dependent is:

- Your child under 13 years old
- A disabled spouse or dependent of any age who lives with you

Eligible expenses include:

- Private child care
- Child care at a day camp or preschool
- After-school care
- Elder care for an incapacitated adult who lives with you

The two kinds of FSAs are separate accounts. You may contribute to both but you can’t use Health Care FSAs to pay for dependent care costs or vice versa.
Life Insurance

Trestles have enabled trains to traverse steep canyons, rapid rivers and placid lakes for two centuries. Without this framework, trains could not have touched so many lives.

Life Insurance can be your family’s “trestle” if you die, or suffer loss of a limb or eyesight; it can help carry your loved ones through difficult times. Your Life Insurance needs may change over time, so check your benefits every year to make sure they are still appropriate.

New employees may enroll within 31 days from their eligibility date. If you wish to enroll or increase coverage later, you must submit Evidence of Insurability to the insurance company. The insurance company may approve or deny your request, or approve a lower benefit.

WHO’S ELIGIBLE?

There are four life insurance Plan options; however, you must enroll in Basic Life and Accidental Death and Dismemberment (AD&D) if you want to enroll in any of the others.

Employee Assistance Program

Track ties, train cars, signals, knuckles, switches, brakes — they all need maintenance and repair to stay in working order.

Sometimes, we may need to do a little repair in our lives to stay on track. ARRC’s Employee Assistance Program (EAP) can help with life’s “derailments” — big and small.

Magellan Behavioral Health provides ARRC’s EAP services. The services are free, confidential counseling and referral services that can help you deal with life’s challenges such as:

- Changes in your financial situation
- Family or relationship problems
- Over-work or conflicts at work
- Feeling depressed or anxious
- Quitting tobacco
- Substance abuse
- Caring for children or aging parents

You, your spouse and dependent children up to age 26 are covered as of your hire date. Each person is eligible for up to eight face-to-face counseling visits per issue each year. The EAP also provides support and guidance to supervisors and managers who need help dealing with workplace issues.

Through Magellan, all employees and covered family members have access to legal and financial services consultations.

Magellan Behavioral Health provides licensed, experienced counselors in Anchorage, Fairbanks, Eagle River and the Mat-Su Valley. EAP counselors also are available by phone 24 hours a day, seven days a week (see back cover for contact information).

For more information and tools, such as self-assessments, depression screenings, wellness tips and community resources, visit magellanassit.com.
Retirement Plans

When you travel by airplane, you don’t get to see much. When you take a train, the experience is all yours; you can relax, take in the countryside — and enjoy the moment.

When you have financial peace of mind, you can truly appreciate the view from your retirement. Saving early can help you reach your retirement goals so you can maintain your current lifestyle, live your dreams — and enjoy the moment.

ARRC provides two retirement Plans to represented employees. Experts say you will probably need a combination of plans to be truly prepared for retirement. Atéssa Benefits, Inc., administers the Pension Plan; The Vanguard Group administers the 401(k) Plan (see back cover). ARRC’s Plans are:

• Alaska Railroad Corporation Pension Plan
• 401(k) Tax Deferred Savings Plan

Once you start participating in the Pension Plan, no Social Security is deducted from your pay; however, the Medicare tax (currently 1.45 percent) is withheld.

</tr>
</tbody>
</table>

1 STR = Subject-to-retirement hours.

**Alaska Railroad Pension Plan (All Employees)**

You must participate in and contribute to this Plan. The table above shows the eligibility dates for represented employees.

ARW and TCU employees hired for the first time after June 30, 2015, will participate in Tier 2 of the Pension Plan. UTU employees hired for the first time after March 3, 2016, will participate in Tier 2 of the Pension Plan.

The Plan is a defined benefit Pension Plan that helps provide you with financial security in your retirement. If vested, you may receive a pension at retirement age.

Normal retirement age is 62 for Tier 1, and age 65 for Tier 2 participants; however, Tier 1 participants may retire at age 58 with early unreduced benefits. Tier 1 participants may retire at age 55 and Tier 2 participants at age 60 with reduced early retirement benefits.

Participants vest with five years of eligible vesting service. Survivor and disability benefits are available after you’re vested.

The difference between vested service and credited service

**Vested service** — You are vested in the Alaska Railroad Corporation Pension Plan after you earn five years of eligible vesting service. This means once you are vested, if you leave your job for any reason, you are guaranteed to receive a future benefit for the years and months of service earned before you ended your employment, unless you withdraw your contributions. No vesting service is earned while in layoff status.

**Credited service** — This is used to calculate the amount of your actual pension benefit. It includes your years of service during which you participated in the Plan and contributed. You cannot earn credited service while on leave of absence, workers' compensation or layoff.
The formulas

The Tier 1 formula for a monthly normal retirement benefit is the sum of:
• 2 percent x final average earnings x credited service

PLUS
• 0.5 percent x final average earnings x credited service that is earned after 2005 and after completing 10 years of credited service.

Tier 2 formula for a normal monthly retirement benefit is:
• 2 percent x final average earnings x credited service.

For both tiers, your final average earnings are figured from the three highest consecutive years of earnings as defined by the Plan.

Termination of Employment

If you’re vested, you have three options:
1. You may start receiving the monthly pension benefit if you’re at early, early unreduced (Tier 1 only), or normal retirement age.
2. You may leave your contributions in the Plan if you’re not at a retirement age, then request benefits when you reach early retirement age, early unreduced (Tier 1 only), or normal retirement age.
3. You may withdraw your contributions plus 4.5 percent interest (3-month Treasury rate for Tier 2). If you choose this option, you will not receive a monthly pension benefit.

If you aren’t vested, you have two options:
1. You may withdraw your contributions plus 4.5 percent interest (3-month Treasury rate for Tier 2).
2. You may delay withdrawing your contribution amount (no later than age 70 ½) if your account balance is more than $1,000.

ATÉSSA BENEFITS

Participants are also encouraged to register to use Atéssa’s website, myatessa.com for access to their Corporation Pension Plan information.

See your contribution account balance, run retirement estimates, and download a Beneficiary Form and Pension SPD.

401(K) SAVINGS PLAN

To sweeten your retirement, ARRC offers another way to save — and will even chip in. Once you’re eligible for this tax-deferred Plan, you may enroll at any time. The Vanguard Group administers this Plan.

Cost
Fees depend on your investment fund choices.

Features
You may save for retirement on a pretax or Roth after-tax basis. Saving is easy because your contributions are made directly from your paycheck. The Plan offers more than 20 investment options.
You choose the amount you want to save — from 1 to 50 percent of your annual regular earnings, up to the 2018 annual dollar limit of $18,500. Participants age 50 and older can make “catch-up” contributions of up to an extra $6,000.

ARRC provides match contributions for ARW- and TCU-represented employees (UTU, no match).

There is a vesting period for the company match of 10,400 subject-to-retirement hours.

If you need investment assistance, Vanguard provides these services:
1. Financial Engines (free service)
2. Age 50+ Advice (free service)
3. Managed Accounts (fee charged)

VANGUARD ONLINE AND VOICE NETWORK

Participants are encouraged to register to use Vanguard’s website, vanguard.com, to access their 401(k) savings Plans.

You can enjoy immediate access to your account information and conduct most transactions 24 hours a day, seven days a week. You also can take advantage of these other convenient features:

401(k) account changes and requests — Change your 401(k) deferral percentage, and sign up for automatic deferral increases. You also can change your investment options or allocation, and request loans and hardship distributions from your 401(k) Plan.

Extensive portfolio analysis — Find easy-to-read graphs and charts showing your portfolio’s asset allocation, industry weightings, investment styles and many other factors that may affect your retirement.

Comprehensive performance reports — View your personal rate of return and other up-to-date performance data.

Convenient e-delivery — View fund reports, prospectuses, trade confirmations, proxy materials and most types of account statements online.

Managed Account Program (MAP) — If you want to delegate ongoing discretionary investment management to a professional investment advisor, you can take advantage of Vanguard’s portfolio management services.

Vanguard Online Institutional Communications Exchange (VOICE) Network — Enables you to monitor the activity in your Plan accounts, and obtain fund price and yield information. You can obtain your account balance, confirm your investment allocations for future contributions or request a transaction.
regular maintenance

Retiree Medical Plan

Tracks, cars and locomotives can last a long time with routine maintenance and some extra care.

Continuing your medical coverage when you retire can help keep you rolling along, too. Retiree medical coverage is available to ARW-represented employees hired on or before November 4, 2015; to TCU-represented employees hired on or before March 31, 2015; and to UTU-represented employees hired on or before March 4, 2016; and who draw a “monthly” pension retirement benefit. It’s also available to eligible family members enrolled in the ARRC Health Plan at the time of the employee’s retirement or at the beginning of Corporate Pension disability benefits. You have 30 days from the date of retirement, or the date disability benefits start, to enroll in the Plan. Your election to enroll in or decline retiree medical coverage is irrevocable.

The retiree Plan includes the same benefits provided to active employees, except vision and hearing coverage. You’ll be enrolled in the same health plan — Blue or Gold — that you were at the time of retirement. There will be annual Open Enrollment periods when you can select the coverage you want for the upcoming year. There is no HSA contribution made for retirees, but you can use any funds remaining in your HSA if you contributed while an active employee.

ARRC pays 40 percent of an ARW and TCU retiree’s premium cost, starting at age 62. ARRC pays 40 percent of an UTU retiree’s premium cost, starting at age 58. Pension participants receiving disability benefits receive the 40 percent cost share at any age, regardless of union or management status. Early retirees can participate in the Plan by paying 100 percent of the premium until they reach the age threshold for premium cost sharing.

The benefits are coordinated with Medicare; at age 65, the cost of the premium decreases as Medicare becomes the primary plan for most enrollees.
Other Benefits

Whether you’re a passenger on a day-long tour or riding cross-country in a berth, it’s the extras that make traveling by train so much fun.

The bells and whistles of our benefits include:

• Leave and holidays
• Rail Travel Program

### LEAVE AND HOLIDAYS

All employees start accruing leave starting on their hire date.

### RAIL TRAVEL PROGRAM

All employees, their spouses, dependent children, parents and parents-in-law may ride the Alaska Railroad free on a space-available basis. You’re eligible for free travel as of your hire date. Retirees and their spouses also are eligible for free travel.

To take advantage of this great program and get your rail pass, just fill out the Rail Pass Request Form from HR.
LEGAL NOTICES
Alaska Railroad is required by federal law to provide benefit plan participants with certain legal notices each year. This document fulfills that obligation and does not require you to act, unless you wish to exercise one or more of the rights explained in this document. Please read this notice carefully and keep it where you can find it. If you have any questions regarding these legal notices, please contact Human Resources at 907-265-2220. This document contains important employee benefit program notices of interest to you and your family. Please share this information with your family members. Some of the notices in this document are required by law and other notices contain helpful information. These notices are updated from time to time and some of the federal notices are updated each year. Be sure you are reviewing an updated version of this important notices document.

MID-YEAR CHANGES TO YOUR HEALTH CARE BENEFIT ELECTIONS
IMPORTANT: After this open window period is completed, generally you will not be allowed to change your benefit elections or add/delete dependents outside of the annual open window period, unless you have a Special Enrollment Event or a Mid-Year Change in Status Event as outlined below:

- Special Enrollment Events:
  If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if your employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 31 days after your or your dependents’ other coverage ends (or after the employer stops contributing towards the other coverage).

  In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

  You and your eligible dependents may also enroll in this plan if you (or your dependents):
  - Have coverage through Medicaid or a State Children’s Health Insurance Program (CHIP) and you (or your dependents) lose eligibility for that coverage. However, you must request enrollment within 60 days after the Medicaid or CHIP coverage ends.
  - Become eligible for a premium assistance program through Medicaid or CHIP. However, you must request enrollment within 60 days after you (or your dependents) are determined to be eligible for such assistance.

  To request special enrollment or obtain more information, contact the ARRC Human Resources office at 907-265-2220.

- Mid-Year Change in Status Events:
  Because Alaska Railroad Corporation gives you the option of paying for your benefits on a pre-tax basis we are required to follow Internal Revenue Service (IRS) regulations regarding when benefits can be changed in the middle of a plan year. The following events may allow certain changes in benefits mid-year, if permitted by the IRS:
  - Change in marital status (e.g. marriage, divorce/legal separation, death).
  - Change in number or status of dependents (e.g. birth, adoption, death).
  - Change in employee/spouse/dependent’s employment status, work schedule, or residence that affects their eligibility for benefits.
  - Coverage of a child due to a QMCSO.
  - Entitlement or loss of entitlement to Medicare or Medicaid.
  - Certain changes in the cost of coverage, composition of coverage or curtailment of coverage of the employee or spouse’s plan.
  - Changes consistent with Special Enrollment rights.

  You must notify the plan in writing within 31 days of the mid-year change in status event by contacting the ARRC Human Resources office at 907-265-2220. The plan will determine if your change request is permitted and if so, changes become effective prospectively, on the first day of the pay period, following the approved change in status event (except for newborn and adopted children, who are covered back to the date of birth, adoption, or placement for adoption).

  Failure to give this plan a timely notice (as noted above) may:
  a. Cause you, your spouse and/or dependent child(ren) to lose the right to obtain COBRA Continuation Coverage.
  b. Cause the coverage of a dependent child to end when it otherwise might continue because of a disability.
  c. Cause claims to not be able to be considered for payment until eligibility issues have been resolved.
  d. Result in your liability to repay the Plan if any benefits are paid to an ineligible person.

IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN
Employers are required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN:
http://www.socialsecurity.gov/online/ss-5.pdf. Applying for a social security number is free.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the ARRC Human Resources office at 907-265-2220.
PRIVACY NOTICE REMINDER

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own healthcare information.

The plan’s HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this notice when you enroll in the plan. You can get another copy of this notice from the ARRC Human Resources office at 907-265-2220. It is also included with this document.

AVAILABILITY OF SUMMARY OF BENEFIT AND COVERAGE (SBC) DOCUMENT(S)

The health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. In accordance with law, our plan provides you with a Summary of Benefits and Coverage or SBC as a way to help you understand and compare medical plan benefits. The SBC summarizes and compares important information including, what is covered, what you need to pay for various benefits, what is not covered, and where to get answers to questions. SBC documents are updated when there is a change to the benefits information displayed on an SBC. To get a free copy of the most current Summary of Benefits and Coverage (SBC) documents for our medical plan options, contact the ARRC Human Resources office at 907-265-2220.

WOMEN’S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA) ANNUAL NOTICE REMINDER

You or your dependents may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses.
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles, copayment and coinsurance applicable to other medical and surgical benefits provided under the various medical plans offered by Alaska Railroad Corporation. For more information on WHCRA benefits, contact the ARRC Human Resources office at 907-265-2220.

PATIENT PROTECTION RIGHTS OF THE AFFORDABLE CARE ACT

Designation of a Primary Care Provider (PCP) and Direct Access to OB/GYN Providers:

The Blue Medical Plan and the Gold Medical Plan offered by ARRC do not require the selection or designation of a primary care provider (PCP). You have the ability to visit any in-network (or non-network) health care provider; however, payment by the Plan may be less for the use of a non-network provider. To locate an in-network provider in the Alaska Heritage Network, visit www.premera.com. You also do not need prior authorization from the Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional specializing in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology (OB/GYN), contact your medical plan at 800-508-4722. For other questions contact the ARRC Human Resources office at 907-265-2220.
**NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT NOTICE**

Hospital Length of Stay for Childbirth: Under federal law, group health plans generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or the newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, the plan may pay for a shorter stay if the attending physician (e.g., physician, or health care practitioner), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, the plan may not, under federal law, require that a physician or other health care practitioner obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification. For information on precertification for a length of stay longer than 48 hours for vaginal birth or 96 hours for C-section, contact your medical plan at 800-508-4722 to precertify the extended stay. If you have questions about this Notice, contact the ARRC Human Resources office at 907-265-2220.

**ADDITIONAL IMPORTANT NOTICES ATTACHED**

The following pages include important notices for you and your family:
- Health Insurance Marketplace Notice
- Medicare Part D Notice
- HIPAA Privacy Notice
- Statement About Nondiscrimination
- Notice about Premium Assistance with Medicaid and CHIP

**EMPLOYER NOTICE ABOUT THE HEALTH INSURANCE MARKETPLACE**

*New Health Insurance Marketplace Coverage Options and Your Health Coverage*

**PART A: GENERAL INFORMATION**

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

**What is the Health Insurance Marketplace?**

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

**Can I Save Money on my Health Insurance Premiums in the Marketplace?**

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

**Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?**

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution as well as your employee contribution to employer-offered coverage is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

**How Can I Get More Information?**

For more information about your coverage offered by your employer, please check your summary plan description or contact ARRC Human Resources at 907-265-2220 or Premera’s Customer Service at 800-508-4722.
The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

\footnote{An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.}

**PART B: INFORMATION ABOUT HEALTH COVERAGE OFFERED BY YOUR EMPLOYER**

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

| 5. Employer address: 327 West Ship Creek Avenue | 6. Employer phone number: 907-265-2220 |
| 10. Who can we contact about employee health coverage at this job?: Michael Humphrey |
| 11. Phone number (if different from above): 907-265-2220 | 12. Email address: humphreym@akrr.com |

Here is some basic information about health coverage offered by this employer:

- **As your employer, we offer a health plan to:**
  - All employees.
  - Some employees. Eligible employees include Alaska Railroad employees except Special Services employees.

- **With respect to dependents:**
  - We do offer coverage. Eligible dependents include a legally married Spouse/Partner, and the following categories of children to the end of the month in which the child reaches age 26: biological child, adopted child or child placed for adoption, stepchild, child under a legal guardianship order, foster child, and child under a Qualified Medical Child Support Order (QMCOS). An adult disabled child age 26 and older may continue eligibility if the child is incapable of self-sustaining employment by reason of developmental disability or physical handicap, and is chiefly dependent on the employee for support and maintenance, and the employee remains covered under this Plan and the child has a disability that existed prior to age 26. Proof of dependent status is required.
  - We do not offer coverage.

- **If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.**

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here’s the employer information you’ll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

---

**MEDICARE PART D NOTICE**

IMPORTANT NOTICE FROM ALASKA RAILROAD CORPORATION ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

*This notice is for people with Medicare. Please read this notice carefully and keep it where you can find it.*

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. You should read this Notice. It is your responsibility to share this notice with any dependents who may qualify for Medicare.

This notice has information about your current prescription drug coverage with Alaska Railroad Corporation and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Alaska Railroad Corporation has determined that the prescription drug coverage is “creditable” in these medical plans: Blue Medical Plan, Gold Medical Plan and the Alaska Heritage Select Medical Plans, sponsored by the Alaska Railroad Corporation. “Creditable” means that the value of the Plan’s prescription drug benefit is, on average for all plan participants, expected to pay out as much as or more than the standard Medicare prescription drug coverage will pay. Because ARRC medical plan coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?
The enrollment window for Medicare Part D runs from October 15 to December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current Alaska Railroad Corporation coverage will not be affected. You can keep this coverage if you elect Part D and this plan will coordinate with Part D coverage. However, if you enroll in Part D coverage, the Alaska Railroad Corporation will not receive a subsidy toward the cost of your prescription drug costs.

If you do decide to join a Medicare drug plan and drop your current Alaska Railroad Corporation coverage, be aware that you and your dependents will not be able to get this coverage back. Note that you would have to drop your entire ARRC medical plan coverage, which pays for other health expenses, in order to drop ARRC prescription drug coverage.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with Alaska Railroad Corporation and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1 percent of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19 percent higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about This Notice or Your Current Prescription Drug Coverage
Contact the person listed below for further information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Alaska Railroad Corporation changes. You also may request a copy of this notice at any time.

For More Information about Your Options under Medicare Prescription Drug Coverage
More detailed information about Medicare plans that offer prescription drug coverage is in the Medicare & You handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:
• Visit www.medicare.gov
• Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the Medicare & You handbook for their telephone number) for personalized help
• Call 800-MEDICARE (800-633-4227). TTY users should call 877-486-2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 800-772-1213 (TTY 800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

For more information about this notice or your current prescription drug coverage contact:

As in all cases, ARRC reserves the right to modify benefits at any time, in accordance with applicable law. This document is intended to serve as your Medicare Notice of Creditable Coverage, as required by law.
NOTICE OF PRIVACY PRACTICES—ARRC GROUP HEALTH PLAN BENEFITS

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This notice applies to the Group Health Plan benefits provided under:

• The Alaska Railroad Corporation Welfare Benefits Plan
• The Alaska Railroad Corporation Retiree Benefits Plan

These benefits currently include medical and prescription drug benefits for active employees and retirees; dental, vision, employee assistance, COBRA administration, Health Savings Account administration and health care flexible spending account benefits for active employees.

You are receiving this Notice from the Group Health Plan Benefits of the Plan described above, which is sponsored by Alaska Railroad Corporation (ARRC).

The Health Insurance Portability & Accountability Act of 1996 ("HIPAA") is a federal law that requires all medical records and other individually identifiable health information used or disclosed by us in any form, whether electronically, on paper, or orally, be kept properly confidential. HIPAA gives you significant rights to understand and control how your health information is used, and provides penalties for covered entities that misuse personal health information. As required by regulations under HIPAA (the "HIPAA Privacy Rule"), we have prepared this explanation of how we will maintain the privacy of your health information and how we may use and disclose your health information. This Notice pertains to you and your covered dependents. Please share it with them.

OUR PLEDGE REGARDING YOUR MEDICAL INFORMATION

We understand that medical information about you and your health is personal. We are committed to protecting medical information about you. The Group Health Plan protects and holds confidential information that relates (1) to your past, present, or future physical or mental health or condition; (2) the provision of health care to you; or (3) the past, present, or future payment for your health care. For example, we create a record of the health care claims reimbursed under the Group Health Plan for Plan administration purposes. This Notice applies to all of the medical records we create, maintain, receive, use, transmit, or disclose. Such information is PHI during your lifetime and remains PHI for a period of 50 years after your death. Your personal doctor or health care provider may have different policies or notices regarding the doctor’s use and disclosure of your medical information created in the doctor’s office or clinic.

The HIPAA Privacy Rule requires that we protect the privacy of medical information that identifies a participant, or where there is a reasonable basis to believe the information can be used to identify a participant. This information is called “protected health information” or “PHI.” This Notice describes your rights as a Group Health Plan participant and our obligations regarding the use and disclosure of PHI. We are required by law to:

• maintain the privacy of your PHI;
• provide you with certain rights with respect to your PHI;
• provide you with a copy of this Notice of our legal duties and privacy practices with respect to your PHI; and
• follow the terms of the Notice that is in effect.

In some situations, federal and state laws provide special protections for specific kinds of PHI and require authorization from you before we can disclose specially protected PHI. In these situations, we will contact you for the necessary authorization.

We reserve the right to make changes to this Notice and to make such changes effective for all PHI we may already have about you as well as any information we receive in the future. If and when a significant change is made, we will provide you with the new Notice either (1) within 60 days from the change; or (2) by prominently posting the new Privacy Notice on the ARRC Intranet at insidetrack.akrr.com and then providing a hard copy of the new Privacy Notice in our next annual mailing to you.

HOW WE MAY USE AND DISCLOSE PROTECTED HEALTH INFORMATION ABOUT YOU

Under the law, we may use or disclose your PHI without your specific authorization for the purposes described below. All other uses and disclosures of PHI about you will only be made with your written permission (an “Authorization”). If you have given us written permission to use or disclose your PHI, you may take back (“revoke”) your written permission at any time, except to the extent that we have already acted based on your permission. The examples that may be included in each category do not list every type of use or disclosure that fall within that category.

USES AND DISCLOSURES NOT REQUIRING AN AUTHORIZATION FROM YOU:

For Payment. We may use or disclose your PHI for payment purposes, including to determine eligibility for Group Health Plan benefits, to facilitate payment for the treatment and services you receive from health care providers, to determine benefit responsibility under the Group Health Plan, or to coordinate Group Health Plan coverage. For example, we may tell your health care provider about your medical history to determine whether a particular treatment is experimental, investigational, or medically necessary or to determine whether the Group Health Plan will cover the treatment. We may also share medical information with a utilization review or pre-certification service provider. Likewise, we may share medical information with another entity to assist with the adjudication or subrogation of health claims or to another health plan to coordinate benefit payments.

For Health Care Operations. We may use and disclose your PHI for other Group Health Plan operations. These uses and disclosures are necessary to run the Group Health Plan. For example, we may use medical information in connection with:

• conducting quality assessment and improvement activities;
• underwriting, premium rating, and other activities relating to Group Health Plan coverage;
• submitting claims for stop-loss (or excess loss) coverage;
• conducting or arranging for medical review, legal services, audit services, and fraud and abuse detection programs;
• business planning and development such as cost management; and
• business management and general plan administrative activities, including customer service and the resolution of internal grievances.

However, the Group Health Plan will never use or disclose your genetic information for underwriting purposes.

To Business Associates. We may contract with third parties known as Business Associates to perform various functions on our behalf or to provide certain types of services. In order to perform these functions or to provide these services, Subcontractors of these third parties also may be our Business Associates in certain cases. Business Associates will receive, create, maintain, use and/or disclose your PHI, but only after they agree in writing with us to implement appropriate safeguards regarding your PHI. In addition, Business Associates are directly subject to many of the provisions of HIPAA which protect the privacy and security of protected health information.

As Required by Law. We will disclose your PHI when required to do so by federal, state, or local law. For example, we may disclose your protected health information when required by national security laws or public health disclosure laws.

To Avert a Serious Threat to Health or Safety. We may use and disclose your PHI when necessary to prevent a threat to your health and safety, or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat. For example, we may disclose your protected health information in a proceeding regarding the licensure of a physician.

Disclosure to the Plan Sponsor. For the purpose of administering the Plan, we may disclose your PHI to certain employees of Alaska Railroad Corporation. However, those employees will only use or disclose that information as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized further disclosures. Your PHI cannot be used for employment purposes without your specific Authorization.

Organ and Tissue Donation. If you are an organ donor, we may use or disclose PHI to organizations that handle organ procurement or organ, eye, or tissue transplantation or to an organ donation bank, as necessary to facilitate an organ, eye, or tissue donation and transplantation.

Military and Veterans. If you are a member of the armed forces, we may disclose PHI about you as required by military command authorities.

Workers’ Compensation. We may disclose PHI about you for workers’ compensation or similar programs. These programs provide benefits for work-related injuries or illnesses.

Public Health Risks. We may use and disclose PHI about you for public health activities. These activities generally include the following:
• to prevent or control disease, injury, or disability;
• to report births or deaths;
• to report child, abuse or neglect;
• to report reactions to medications or problems with products or devices regulated by the federal Food and Drug Administration or other activities related to quality, safety;
• or effectiveness of FDA-regulated products or activities;
• to locate and notify persons of recalls of products they may be using;
• to notify a person who may have been exposed to a communicable disease in order to control whom may be at risk of contracting or spreading the disease; or
• to notify the appropriate government authority if we believe a patient has been the victim of abuse, neglect or domestic violence.

We will only make this disclosure if you agree or when required or authorized by law.

Health Research. We are allowed to use or share your PHI in ways that contribute to the public good, such as health research.

Health Oversight Activities. We may disclose your PHI to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government health care programs, and compliance with civil rights laws.

Lawsuits and Disputes. If you are involved in a lawsuit or a dispute, we may disclose your PHI in response to a court or administrative order. We may also disclose PHI about you in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

Law Enforcement. We may use and disclose your PHI if asked to do so by a law enforcement official:
• in response to a court order, subpoena, warrant, summons, or similar process;
• to identify or locate a suspect, fugitive, material witness, or missing person;
• about the victim of a crime if, under certain limited circumstances, we are unable to obtain the victim’s agreement;
• about a death we believe may be the result of criminal conduct;
• about criminal conduct; and
• in emergency circumstances to report a crime, the location of a crime or victims, or the identity, description, or location of the person who committed the crime.

Coroners, Medical Examiners, and Funeral Directors. We may release PHI to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or determine the cause of death. We may also release medical information about patients to funeral directors as necessary to carry out their duties.

National Security and Intelligence Activities. We may release your PHI to authorized federal officials for intelligence, counterintelligence, and other national security activities authorized by law.

Inmates. If you are an inmate of a correctional institution or are under the custody of a law enforcement official, we may disclose your PHI to the correctional institution or law enforcement official if necessary (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) for the safety and security of the correctional institution.
YOUR RIGHTS REGARDING YOUR PHI

Under federal law, you have the following rights regarding PHI about you:

Right to Inspect and Copy. You have the right to inspect and copy certain PHI that may be used to make decisions about your health care benefits. To inspect and copy your PHI, you must submit your request in writing to the individual identified in the Contact Information section below. We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. If you request a copy of your PHI, we may charge you a reasonable, cost-based fee for the copying, mailing, or other supplies associated with your request.

We may deny your request to inspect and copy your PHI in certain very limited circumstances. If you are denied access to your medical information, you may request that the denial be reviewed by submitting a written request to the individual identified in the Contact Information section below. In addition, you must provide a reason that supports your request.

Right to Amend. If you feel that the protected health information we have about you is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is kept by or for the Group Health Plan. To request an amendment, your request must be made in writing and submitted to the individual identified in the Contact Information section below. In addition, you must provide a reason that supports your request.

We may deny your request for an amendment, but we will provide a written explanation within 60 days. For example, we may deny your request if it is not in writing or does not include a reason to support the request. In addition, we may deny your request if you ask us to amend information that:

- is not part of the medical information kept by or for the Group Health Plan;
- was not created by us, unless the person or entity that created the information is no longer available to make the amendment;
- is not part of the information that you would be permitted to inspect and copy; or
- is already accurate and complete.

If we deny your request, you have the right to file a statement of disagreement with us and any future disclosures of the disputed information will include your statement.

Right to Receive an Accounting of Disclosures. You have the right to request an “accounting” of certain disclosures that we have made of your PHI. The accounting will not include (1) disclosures for purposes of treatment, payment, or health care operations; (2) disclosures made to you; (3) disclosures made pursuant to your Authorization; (4) disclosures made to friends or family in your presence or because of an emergency; (5) disclosures for national security purposes; and (6) disclosures incidental to otherwise permissible disclosures.
To request this list or accounting of disclosures, you must submit your request in writing to the individual identified in the Contact Information section below. Your request must state a time period which may not be longer than six years prior to the date of the request. Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be free. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

Right to Request Restrictions. You have the right to request a restriction or limitation on your PHI that we may use for payment and health care operations. You also have the right to request a limit on your PHI that we disclose to someone who is involved in your care or the payment for your care, like a family member or friend. For example, you could ask that we not use or disclose information about a surgery that you had. We are not required to agree to your request except in limited circumstances. We will agree to your request if the PHI pertains solely to a health care item or service for which the health care provider has been paid out of pocket in full. In other instances, such as where your care would be affected, we are not required to agree to your request.

If we do agree to your request, we are required to comply with our agreement, except in certain cases, including where the information is needed to treat you in the case of an emergency. To request restrictions, you must make your request in writing to the individual identified in the Contact Information section below. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom you want the limits to apply, for example, disclosures to your spouse.

Right to Receive Confidential Communications. You have the right to request that we communicate with you about medical matters in a certain way or at a certain location.

For example, you may ask that we only contact you at work or by mail.

To request confidential communications, you must make your request in writing to the individual identified in the Contact Information section below.

We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. We will accommodate all reasonable requests if you clearly provide information that the disclosure of all or part of your PHI could endanger you.

Right to Share Certain Health Information. For certain health information, you can tell us your choices about what we share. If you have a clear preference for how we share your information in the following situations, tell us what you want us to do and we will follow your instructions:

- share information with your family, close friends, or others involved in payment for your care;
- share information in a disaster relief situation.

We will never share your PHI for marketing purposes or sell your PHI unless you give us written permission.

Breach Notification. If and when required by HIPAA, we will notify you of a breach of the HIPAA privacy rules which involves your PHI considered to be “unsecure” under applicable HIPAA regulations. If HIPAA requires us to send you a notice, the notice will contain:

- a description of the breach;
- the type of PHI that was breached;
- steps you could take to protect yourself from potential harm;
- steps we are taking to investigate the breach, mitigate harm, and protect from further breaches; and
- who to contact for additional information.

Right to a Paper Copy of this Notice. You have a right to receive a paper copy of this Notice. You may ask us for a copy of this Notice at any time. Even if you agreed to receive this Notice electronically, you are still entitled to a paper copy of this Notice. You may obtain a copy of this Notice on the ARRC Intranet at http://insidetrack.akrr.com/web/HR/Benefits/ARRC_Required_Notices_vF_10242016.pdf. To obtain a paper copy of this Notice, contact the individual identified in the Contact Information section below.

COMPLAINTS

If you believe your privacy rights have been violated, or if you disagree with a decision we made about a request, you may file a written complaint with the Group Health Plan or with the Office for Civil Rights of the U.S. Department of Health and Human Services. To file a complaint with the Group Health Plan, please direct your complaint to the individual identified in the Contact Information section below. All complaints must be submitted in writing. Alternatively, you may file a complaint with the Office for Civil Rights, by sending a letter to 200 Independence Avenue, S.W., Washington, D.C., 20201, calling 1-877-696-6775, or visiting www.hhs.gov/ocr/privacy/hipaa/complaints/. You will not be penalized, or in any other way retaliated against, for filing a complaint.

OTHER USES OF MEDICAL INFORMATION

Other uses and disclosures of medical information not covered by this Notice or the laws that apply to us will be made only with your written permission. If you provide us permission to use or disclose medical information about you, you may revoke that permission, in writing, at any time. If you revoke your permission, we will no longer use or disclose medical information about you for the reasons covered by your written Authorization. However, we are unable to take back any disclosures we have already made with your permission.

CONTACT INFORMATION

If you have any questions about this Notice or wish to exercise the rights described in this Notice, please contact the Privacy Official at the address and telephone number listed below. The Privacy Official may require that any request be made in writing.

Michael Humphrey Manager, Benefits & Records, 907-265-2220
Alaska Railroad Corporation
327 W. Ship Creek Avenue, Anchorage, AK 99510-7500
**GENERAL STATEMENT OF NONDISCRIMINATION: (DISCRIMINATION IS AGAINST THE LAW)**

Alaska Railroad Corporation (ARRC) complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Alaska Railroad Corporation (ARRC) does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. Alaska Railroad Corporation (ARRC):

a. Provides free aids and services to people with disabilities to communicate effectively with us, such as:
   - Qualified sign language interpreters
   - Written information in other formats (large print, audio, accessible electronic formats, other formats)

b. Provides free language services to people whose primary language is not English, such as:
   - Qualified interpreters
   - Information written in other languages

If you need these services, contact the Alaska Railroad Corporation (ARRC) Civil Rights Coordinator.

If you believe that Alaska Railroad Corporation (ARRC) has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with:

Alaska Railroad Corporation (ARRC) Civil Rights Coordinator
Mailing Address: 327 West Ship Creek Avenue Anchorage AK 99501
Telephone number: 1-907-265-2380

You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, the Alaska Railroad Corporation (ARRC) Civil Rights Coordinator is available to help you. You can also file a civil rights complaint with the U.S. Department of Health & Human Services, Office for Civil Rights electronically through:

- the Office for Civil Rights Complaint Portal, available at https://ocrportal.hhs.gov/ocr/portal/lobby.jsf
- mail U.S. Department of Health & Human Services, 200 Independence Avenue SW, Room 509F, HHH Bldg, Washington, DC 20201
- or phone at 1-800-868-1019, 800-537-7697 (TDD)

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of August 10, 2017. Contact your State for more information on eligibility:

PAPERWORK REDUCTION ACT STATEMENT

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 12/31/2019)
