

## PUBLIC NOTICE

### PROPOSAL TO PERMIT

The Alaska Railroad Corporation proposes to issue a new corridor permit to 8 STAR ALASKA, LLC to construct, reconstruct, operate and/or maintain a Petroleum Pipeline facility within ARRC's Right-of-Way ("ROW") corridor and Reserves, generally described as:

Segments of a petroleum pipeline totaling approximately 28,000 Linear feet within portions of the ARRC ROW corridor and Reserves.

**Location/Address:** Multiple non-contiguous segments within the ARRC mainline track ROW and Reserves commencing at ARRC MP 279.6 (just south of Hurricane) and running north to the western border of the ARRC Healy Reserve.

**Use of the Premises:** Permittee wishes to construct, operate, maintain, and reconstruct the pipeline in the locations described above.

**Proposed Term of Permit:** Thirty (30) Years

**Maps depicting the exact location within the ROW and Reserves are available for review.** The ARRC file related to this proposed permit (excluding privileged or proprietary information) is available for inspection during regular business hours by appointment, Monday through Friday, at the office of the Director, Real Estate Permits and Leasing, Alaska Railroad Corporation, 327 West Ship Creek Avenue, Anchorage, Alaska.

Comments may be submitted in writing to the Director, Real Estate Permits and Leasing, P.O. Box 107500, Anchorage, Alaska 99510-7500 and must be submitted on or before January 29, 2026 to be considered at the next scheduled ARRC Board of Directors meeting, after which time the ARRC's decision to issue a permit may become final. Oral comments may also be presented at the Board meeting scheduled for February 5, 2026. Questions may be directed to the Manager of Real Estate Contracts and Billing at 265-2465.

Pub: December 29, 2025
