

PUBLIC NOTICE

PROPOSAL TO PERMIT

The Alaska Railroad Corporation proposes to issue a new corridor permit to ALASKA UNITED FIBER SYSTEM PARTNERS to replace and extend its existing permit to reconstruct, operate and/or maintain an existing fiber facility within ARRC's Right-of-Way ("ROW") corridor described as:

A fiber optic line that deviates in and out of the ROW for a total length of 56,422 linear feet within the ROW corridor.

Location/Address: Said fiber facility to be located in segments of the ROW, starting at ARRC milepost F1.03, in Whittier, Alaska, running through the Whittier Tunnel, to the ARRC mainline track at Portage, at ARRC milepost 62.86, and then in and out of the ROW to ARRC milepost 86.83, near Indian, Alaska.

Use of the Premises: Permittee wishes to continue to operate, maintain, and reconstruct the fiber in the portion of the described above.

Proposed Term of Permit: Twenty-Five (25) Years

Maps depicting the exact location within the ROW are available for review. This file (excluding privileged or proprietary information) is available for inspection during regular business hours by appointment, Monday through Friday, at the office of the Director, Real Estate Permits and Leasing, Alaska Railroad Corporation, 327 West Ship Creek Avenue, Anchorage, Alaska.

Comments may be submitted in writing to the Director, Real Estate Permits and Leasing, P.O. Box 107500, Anchorage, Alaska 99510-7500 and must be submitted on or before September 24, 2025 to be considered at the next scheduled ARRC Board of Directors meeting, after which time the ARRC's decision to issue a permit may become final. Oral comments may also be presented at the Board meeting scheduled for September 25, 2025. Questions may be directed to the Manager of Real Estate Contracts and Billing at 265-2465.

Pub: August 25, 2025
