Addendum 1

**ARRC Fbks. Engine Shop Utilidor Repair
RFQ 23-59-211333**

The Closing Date for this RFP has not changed. Bids will be received in Anchorage until September 28, 2023 @ 3:00 PM Alaska time.

PRE-BID/Site Visit Conference: A Pre-Bid Conference and Site Visit is scheduled for Thursday, September 21, 2023 at 11:00 AM at the Fairbanks Engine Shop, 241 Jack Linsey Lane, Fairbanks, AK 99701. All Contractors will sign-in at the pre-bid conference and once the conference is completed will proceed to the Car Shop. Please dress appropriately for weather and safety; hardhats, safety glasses and steel toe boots.

It is not mandatory that offerors attend the pre-offer conference. However, it is advised that all interested offerors attend. No other site inspection will be scheduled. In order to discourage unnecessary disruption of ARRC working employees, private inspections will not be granted. A bidder's failure to visit the work site will in no way relieve the bidder of the responsibility of performing the work in strict compliance with the true intent and meaning of the terms, conditions and specifications of this RFQ.

All other terms and conditions remain unchanged.
If there are any questions regarding this addendum please let me know.

Thank you,

C. Lee Thompson
Contract Administrator
Alaska Railroad Corporation
