June 27, 2025

Addendum Number 1

Invitation to Bid 25-48-213532

25-48 ARRC Parks Highway MP 168 HURRICANE Crossing Upgrade

Closing date, offers will be received until 3:00 pm local time on July 16, 2025

This addendum is being issued to provide information as follows:

1. On the shoo-fly is D-1 or recycled asphalt required on the dry surface?

All material used to build the shoo-fly must be removed when the job is complete and all ditch-lines and track ballast restored to pre-construction conditions. The material used is not specified. ARRC will provide geotextile material to protect the ballast where the detour approaches the tracks.

2. On the MMA is it surface applied or inlaid?

Inlaid

3. Is the shoo-fly going to be on the North or South side of the Parks Highway?

South side of the highway. See attached photos for reference.
