Addendum 1

ITB # 19-14-206752

Central Region Grade Crossing Upgrade Support

Addendum number 1 is issued for questions / clarifications.

**The Closing Date for this has changed. This ITB will close as follows:
Proposals will be received until May 2, 2019 @ 3:00 PM local Alaska time.**

Clarifications / Questions:

- 1) Please clarify if RR Protective Liability is required for the Central Region Crossing Support.
We don't require RPI specifically, the requirement is a Contractual Liability Endorsement for Railroads (CG 24 17). ARRC is to be added to the Contractor's CGL Policy as an Additional Insured to include: an endorsement deleting all railroad exclusions, and an endorsement adding ARRC as an additional insured with a full waiver of subrogation

All other terms and conditions remain unchanged.
If there are any questions regarding this addendum please let me know.

Thank you,
