Addendum Number 2
Request for Proposal 21-07-208847
Asset Management System(s) Options Review

This addendum is being issued to provide information as follows:

Questions/Answers:

1. **Q:** The RFP states that proposals should not exceed 20 pages in all inclusive of resumes and exhibits. Then, the RFP goes on to state that the cover letter should not exceed 2 pages. We interpreted this to mean that the cover letter is not counted within the 20 page limit for the proposal. Can you please confirm if our interpretation is correct?

A:

Reference Section B, Proposal Information, Conditions & Instructions, Item 8; remove and replace with the following.

8. Proposal Format

Interested firms shall submit one electronic (soft copy) proposal, containing a statement of qualifications and a concise narrative that fully addresses each evaluation criteria. Proposals shall have a maximum of twenty (20) pages, inclusive of cover letter, resumes, and exhibits. A signed cover letter of a maximum two (2) pages should introduce the proposed firm, summarize the main qualifications of the firm, and include any other information the Contractor deems will emphasize the Contractor's ability to successfully perform the services required and demonstrate why selection of Contractor would be advantageous to ARRC.

All other dates, terms, and conditions remain unchanged.

Acknowledge receipt of this and all addenda in your firm's Service Bid Form (Form 395-0132).
