Addendum Number 2
ITB 24-71-212588 Fiber Optic Installation CP F120 to Portage Section House
Closing October 28, 2024

This Addendum is being issued to provide information as follows:

Attachment 1 Portage Fiber Addition - Added Detail - CP F120 South - Section House
Attachment 2 Bridge Trough Hardware

Bidder's Questions:

1. Can fiber be installed on the opposite side of the bridge/track? **Yes, but be aware that Locates and Creek crossings may influence this answer.**
2. Should we affix to the bridge or bore under the creek? **Contractor may affix to Bridges or Bore for creek crossings.**
3. What is the minimum distance of installation from the tie edge? **See design drawings.**
4. Are the bridge attachment specs available? **To expedite the process, as Bids are due 10/28, A Typical attachment design has been provided for Bid purposes only. If final (engineered) attachment design is grossly different, price adjustments can be requested and negotiated via a change order request.**

All other dates, terms and conditions remain unchanged.

Please acknowledge receipt of this and all addendums in your firm's Service Bid Form (Form 395-0129). Please direct all responses and/or questions concerning this solicitation to Candice Humphrey, via email GrahamC@akrr.com.
