April 3, 2020

Addendum 2
ITB # 20-13-207520
BUILDING 26 INDUSTRIAL WATER UPGRADES

This ITB will close as follows:

Proposals will be received until Wednesday, April 15, 2020 @ 3:00 PM local Alaska time.

BID INFORMATION, CONDITIONS & INSTRUCTIONS:

To help honor Municipality of Anchorage (MOA) Mayor Berkowitz’s issuance of EO-03, to “Hunker Down”, the ARRC will be modifying its bid submission requirements.

ELECTRONIC BID: Emailed bids will be accepted for this solicitation. Please email bids to HumphreyC@akrr.com. Please place a Document Open Password on your PDF Bid Submission and provide that password as we read the bids aloud at bid opening. For instructions on how to set a Document Open Password on a PDF, follow the link below:

Bids will be opened and read aloud via a teleconference. The local dial-in number is 907-265-8777. When prompted, dial meeting number 4470. When prompted, press # and then enter access code 007.

DUE TO POSSIBLE LIMITED STAFFING AT BONDING AGENCIES AND NEW ELECTRONIC BID PROCEDURES, WE WILL ACCEPT COPIES OF BID BONDS AT CLOSING. ORIGINALS WILL NEED TO BE MAILED TO:
Alaska Railroad Corporation; Contracts
327 Ship Creek Avenue, 2nd Floor
Anchorage, Alaska 99501

PRE-BID SITE VISIT- #2:

We will hold a second pre-bid site visit on Tuesday, April 7 at 10:00 a.m. Please remember that social distancing is required during this visit. We ask that you confirm the number of attendees in advance so that we may plan accordingly and avoid a group of more than 10.
QUESTIONS

1. Div. 22 does not list a basis of design for the new hose bibbs. Please provide the recommended manufacture and model. Interior Hose Bibb: Angle pattern sillcock, bent nose, ¾ inch hose connection, rough chrome plate finish, wheel handle. Woodford Wall Faucet Model 21- ¾” C Inlet Combination.

2. On sheet M2 (3 of 8) there is one hose reel shown. Div. 22 does not list a basis of design. Please provide the recommended manufacture and model. The hose reel referenced on sheet M2 does not need to be replaced.

3. Please confirm Builders Risk Insurance is required per 5.4.14 of the General Conditions. Builders Risk Insurance is not required for this job.

4. Please confirm $5 million pollution coverage is required as it states where applicable per 5.4.13 of the General Conditions. Section 5.4.13 will not apply for this job.

5. Want to verify that we are tying into existing hose bib and hose reels? ARRC’s intent with this work was to have all new hose bibs installed and reuse all hose reels except where plans call for connect to existing piping. All fixtures on existing piping are to remain. All materials in the design and specs including mechanical fixtures are to be contractor furnished.

If there are any questions regarding this addendum please let me know.

Thank you,

Candice Humphrey
Procurement Administrator
Alaska Railroad Corporation
